INDIVIDUALLY PACKAGED CATERING

Feeding a group just got easier.

With our individually packaged catering, you don't have to calculate portions or juggle trays. Simply tell us how many people you're serving, and we'll handle the rest—for one easy, per-person price. Great food, no guesswork.

- To round out the meal, **each order also comes with your choice of a fresh side**—either a crisp side salad or a serving of seasonal mixed fruit.

What's breakfast—or lunch—without something to drink? —we've got that covered.

- With every individual meal, **we include a beverage of your choice**: freshly brewed coffee, cold orange juice, or your favorite soda. It's all part of our flat per-person pricing.
